Our Culture

Empowers Staffing was formed with the goal of helping our partners who are looking to shape up their diversity and inclusion programs and policies, while providing a better level of service through client partnerships, by being responsive regardless of size or volume of business. Our goal is to establish long-standing relationships, by acting as a career advocate and being the supplier of choice in various communities across the nation.

Our Mission – A Promise To You

“Helping our partners in all areas of success starting from diversity and inclusion programs and policies to build high-performing teams and helping candidates connect with their career goals.”

Our Goal

“Helping our partners shape their diversity and inclusion programs and policies while acquiring the best workforce, whether Direct Hire, Contract to Direct Hire, Contract Staffing or Short-Term Placement.”

Our Superior Process:

How do we bring you the best talent?

We have a great hiring process that starts from our team understanding your corporate culture to the position you need to fill so we can deliver you the Most Placeable Talent.

We team up and listen to you, to make sure we synchronize in finding the right candidates who will fit what you need.

We screen and interview candidates **Experience, Character, Competence** and **Chemistry** based on your requirements to deliver the best match.

After you interview and select final candidates, we ensure that they're checked and ready to become part of your team.

For your FTE, short-term or a long-term contract positions, Empowers Staffing is ready to team up with you and find you the right professionals for your organization.
